Fig. 1 is a schematic cross-sectional view of a mechanical assembly. The assembly consists of a base block (3) and a top block (12). The base block (3) has a U-shaped cavity (6) and a vertical support (2). A small rectangular component (61) is located within the U-shaped cavity. The top block (12) has a horizontal flange (13) and a central opening (14). A small rectangular component (62) is positioned near the central opening. A circular feature (16) is visible on the right side of the base block. Various other components are labeled with numbers 1 through 16.
